First one, let the games begin  
There ain't no time for me to pretend  
Now I got the key to the door I want  
So open up and let me in

There is something, baby, about you  
That's really attracting me, yeah  
And your sweet love, darling  
Really got a hold on me

I've got a little taste of your love  
And now I'm hooked on you, yeah  
And I keep falling, falling  
But what can I do

I'm too weak to fight  
Listen to me, baby  
Too weak to fight, yeah

You're breaking down my health, girl  
Can't eat, I can't sleep  
I've tried to turn you loose  
But your hook is in too deep, oh yeah

My resistance is getting a little low  
And I've got to find a cure  
'Cause I keep falling, falling  
Falling for you, yeah

I'm too weak to fight  
Listen to me, baby  
Too weak to fight, yeah  
I'm too weak to fight

You're messin' with my head  
You got me too weak to fight  
Too weak to fight now, baby  
Calling wrong numbers

Too weak to fight now, baby  
You got my head going round and round  
Too weak to fight now baby

Baby, baby, baby, baby, too weak to fight
