You made me leave my happy home  
You took my love and now you've gone  
Since I fell for you

Love brings such misery and pain  
I guess I'll never, never be the same  
Since I fell for you

It's too bad and it's too sad  
That I'm in love with you  
First you love me, then you snub me  
But what can I do, I'm still in love with you

Oh, I guess I'll never see the light  
I get the blues 'bout every night  
Since I fell for you

You love me, then you snub me  
But I'm still in love with you  
You hurt me, the you desert me  
But what can I do, I'm still in love with you

Oh, I guess I'll never see the light  
I get the blues almost every night  
Since I fell for you
