Learn to love me or leave me
Either one you wanna do
Learn to love me or leave me
Either one you wanna do

Because strange things are happenin'
And I want nothin' to happen to you

If you know you don't love me
Why don't you let me be?
If you know you don't love me
Why don't you let me be?

Because it's better to be without you
Than live in misery

Midnight find me cryin'
And daylight find me cryin' too
Midnight find me cryin'
And daylight find me cryin' too

You better straighten your mind, pretty baby
Before somethin' bad might happen to you
