Please forgive me if I cry
But my baby said goodbye
All I do is hope and pray
That she come back home some day

She left me feeling so blue
I didn't know just what to do
If she only come back home
I wouldn't feel so all alone

The tears I she'd are tears in vain
Send my baby back again
I didn't know I missed her so
Tell me why she had to go

Got to pray to you above
Send me back the girl I love
Do that for me won't you please
I beg of you on bended knees
