Oohh...

Just one look
And I make lot of things
That bother

The he took
Another privacy ecstasy
Then I was confused
What is goin on and on...

[Chorus:]
Maked a mistake
It's like a fake
I don't realize
What's on my mind
And it's on my life size
I'm a one of kind

Do some lock
It's done by my own
Then...
It was the end
It make me regret
So regrettness happened to me

He's like a mock
The faultness of my heart
Came to a hurt

Just meking it
Faking it
Just to forget the thingd I did

[Chorus:]
Maked a mistake
It's like a fake
I don't realize
What's on my mind
And it's on my life size
I'm a one of kind

I don't like the things I did
Just remember what u did

And I maked a mistake
It's like a fake
I don't realize
What's on my mind
And it's on my life size
I'm a mone of kind
A kind
A kind

Just make a mistake...
