When your life's a wall
Can't see the light of day
When your hope is gone
When you second-guess your faith
When you turn around
And realize that no one else
Will believe in you only yourself

When you're holding on
You can't find a will to breathe
Can you right the wrong?
That has brought you to your knees
Though you've barely lived your life
You keep on believing you'll survive
And all that's left is what's inside

Chorus - Amazing
I have heard my inner voice
And finally can rejoice
I was lost and way down
Never thought that I would be
Amazing that now I'm free

So you let go of the love that's holding on
Then you close your eyes
Never thought of being wrong
You surrendered half your life
To a world of pain and sacrifice
But you've found the way to make things right

Repeat Chorus

Desperate (oh so desperate)
So confined (so confined)
Every day (oh) losing touch (losing touch) of my mind
(Of my mind, oh)
I found that strength
(So I found that strength)
In my pride
(And I've gave my pride)
Isn't it crazy, so amazing
I'm alive

Repeat Chorus (2x)

Amazing that now I'm free
