Drive, drive
My baby drove up in a brand new Cadillac, yes she did
My baby drove up in a brand new Cadillac
She said, "Hey, come here Daddy"
"I ain't never comin' back"
Baby, baby won't you hear my plea?
C'mon sugar, just come on back to me
She said, "Balls to you Big Daddy"

Baby, baby won't you hear my plea?
Oh c'mon just hear my plea
She said, "Balls to you Daddy"
She ain't coming back to me
Baby, baby drove up in a Cadillac
I said, "Jesus christ, where'd you get that Cadillac?"
She said, "Balls to you Daddy"
She ain't never coming back
She ain't, she ain't coming back
She ain't never coming back
She ain't never coming back
She ain't never coming back
