The offered me the office, offered me the shop  
They said I'd better take anything they'd got  
Do you wanna make tea at the BBC?  
Do you wanna be, do you really wanna be a cop?  
Career opportunities are the ones that never knocked  
Every job they offer you is to keep you out the dock  
Career opportunity, the ones that never knock  
I hate the army and I hate the R.A.F.  
I don't wanna go fighting in the tropical heat  
I hate the civil service rules and I won't open letter  
bombs for you  
Career opportunities are the ones that never knocked  
Every job they offer you is to keep you out the dock  
Career opportunity, the ones that never knock

Bus driver, ambulance man, ticket inspector (I call it ?  
Nam)  
They're gonna have to introduce conscription  
They're gonna have to take away my prescription  
If they wanna get me making toys  
And if they wanna get me, well, I got no choice  
Career opportunities are the ones that never knocked  
Every job they offer you is to keep you out the dock  
Career opportunity, the ones that never knock  
Careers, careers, careers, and they never gonna knock
