"Goin' Away"

Lookin' out my window
Lookin' down the road
I would like to go far away
Away from this place

I wanna see the world before I die
Before too many years go by
I've got to go
Before I get too old

CHORUS

So I'm going away
And I'm leaving today
And I won't be back for while
I'm gettin' on a train, a bus, or a plane
I'm gonna leave this place in style
But before I go I just want you to know
That although it hasn't been very long
We'll meet again together my friend
And we'll laugh and we'll sing this song
Yeah we'll laugh and we'll sing this song

Friends will leave you
And they will say farewell
And you can never tell just why they go
You don't know, you don't know

I want life's music to softly hit my ears
You know I've been waiting for years
To take the chance and to dance with the wind

CHORUS

So I'm going away
And I'm leaving today
And I won't be back for while
I'm gettin' on a train, a bus or a plane
I'm gonna leave this place in style
But before I go I just want you to know
That although it hasn't been very long
We'll meet again together my friend
And we'll laugh and we'll sing this song
Yeah we'll laugh and we'll sing this song

Cause I can't be tied down
Sittin' in a one horse town
I've got to know who I am
I pray for you all the time
You'll always be on my mind
And I hope you'll understand

CHORUS

That I'm going away
And I'm leaving today
And I won't be back for while
I'm gettin' on a train, a bus or a plane
I'm gonna leave this place in style
But before I go I just want you to know
That although it hasn't been very long
We'll meet again together my friend
And we'll laugh and we'll sing this song
Yeah we'll meet again together my friend
and we'll laugh and we'll sing this song
