My love is warmer than the warmest sunshine

Softer than a sigh.

My love is deeper than the deepest ocean

Wider than the sky.

My love is brighter than the brightest star

That shines every night above

And there is nothing in this world

That can ever change my love

Something happended to my heart the day that I met  
you

Something that I never felt before

You are always on my mind no matter what I do

And everyday it seems that I want you more

My love is warmer than the warmest sunshine

Softer than a sigh.

My love is deeper than the deepest ocean

Wider than the sky.

My love is brighter than the brightest star

That shines every night above

And there is nothing in this world

That can ever change my love

Once I thought that love was meant for anyone else but  
me

Once I thought you'd never come my way

Now it only goes to show how wrong we all can be

For now I have to tell you everyday

My love is warmer than the warmest sunshine

Softer than a sigh

My love is deeper than the deepest ocean

Wider than the sky

My love is brighter than the brightest star

That shines every night above

And there is nothing in this world

That can ever change my love

My love is warmer than the warmest sunshine

Softer than a sigh

My love is deeper than the deepest ocean

Wider than the sky

My love is brighter than the brightest star

That shines every night above

And there is nothing in this world

That can ever change my love
