title x8)

Stop feelin' sad now; life ain't so bad now (title x2)

While you're debating, something's awaiting (title x2)

When Columbus sailed away to other shores

How could he imagined all that waited for him

(title x4)

Leave all the blue days, think about the new days (title x2)

Everything is yours now; open all the doors now (title x2)

Man will soon be standing on the moon above

Just imagine all the things that we'll discover

(title x4)

You've got to stop sittin' there on the shelf

You've got to stop lookin' out for yourself, yeah

(title x4)

What's the use in crying? Happiness is lying (title x2)

If you want a true love, look for a new love

Just forget the worries that you leave behind

There are many things to do, & you can find them

(repeat title & fade)
