Lay back and
Get settled
Just laying down on me
One thousand things I'd like to say to you
Because I really loved you
You made me believe

Two's company baby
Don't play these games with me
What's on your mind?
Why can't I know?
In time you will see
In time you'll believe

Two's company baby
Don't play these games with me
What's on your mind?
Why can't I know?
In time you will see
In time you'll believe

It's like a thousand different problems
One thousand less solutions
One thousand rips at me
I've buried myself in a cloud, so high
These are timed solutions
They're catching up on me
