Now every cheap hood strikes a bargain with the  
World  
And ends up making payments on a sofa or a girl  
Love 'n' hate tattooed across the knuckles of his hands  
Hands that slap his kids around 'cause they don't  
understand how

Death or glory becomes just another story  
Death or glory becomes just another story

'N' every gimmick hungry yob digging gold from rock  
'n' roll  
Grabs the mike to tell us he'll die before he's sold  
But I believe in this-and it's been tested by research  
He who fucks nuns will later join the church

Death or glory becomes just another story  
Death or glory becomes just another story

### MUSICAL INTERLUDE

Fear in the down sex  
They say lie low  
You say ok  
Don't wanna play a show  
No other thinking  
Was it death or glory now  
Playing the blues of kings  
Sure looks better now

Death or glory just another story  
Death or glory just another story

From every dingy basement on every dingy street  
Every dragging handclap over every dragging beat  
That's just the beat of time-the beat that must go on  
If you've been trying for years we already heard your  
song

Death or glory becomes just another story  
Death or glory just another story

Gotta launch long way  
Fight a long time  
Get to travel over mountains  
Got to travel over seas  
We gonna fight your brother  
We gonna fight til you loose  
We gonna raise trouble  
We gonna raise hell  
We gonna fight your brother  
We gonna raise hell

Death or glory becomes just another story  
Death or glory becomes just another story

Death or glory just another story  
Death or glory becomes just another story
