Stagger Lee met Billy and they go down to gambling  
Stagger Lee thrown seven, Billy said that he thrown  
eight  
Billy said, "Hey Stagger, I'm gonna make my big attack  
I'm gonna have to leave my knife in your back"  
(Start all over again)

Why do you try to cheat and trample people under your  
feet?

Don't you know it is wrong to cheat a trying man?  
Don't you know it is wrong to cheat a trying man?  
You better stop, it is the wrong 'em boyo  
You lie, steal, cheat and deceit  
It's such a small, small game  
Don't you know it is wrong to cheat a trying man?  
Don't you know it is wrong to cheat a trying man?  
You better stop, it is the wrong 'em boyo

(Hey, it's the wrong 'em boyo)

Billy Boy has been shot and Stagger Lee's come out on  
top

Don't you know it is wrong to cheat a trying man?  
Don't you know it is wrong to cheat Stagger man?  
You'd better stop, it is the wrong 'em boyo  
You must start all over again, all over again  
Don't you know it is wrong?  
Play it Billy, play, (Don't you know that it is wrong?) Play  
it Billy, play  
And you will find it is the right 'em boyo (Hugs)  
But if you must lie and deceit and trample people  
under your feet  
Don't you know it is wrong to cheat a trying man  
Don't you know it is wrong to cheat a trying man?  
You'd better stop, it is the wrong 'em boyo, it is the  
wrong 'em boyo, it is the wrong 'em boyo  
It is the wrong 'em boyo, wrong 'em boyo, it is the  
wrong 'em boyo
