I'm so cool I can be an eskimo.
Even in the summer at my house it snows.
I'm always chillin like it's 40 below.
I'm so hot I'm cold.
Cool kitty.

Chorus:

Cool Kitty, I'm a cool, cool cat.
Cool Kitty, I'm a cool, cool cat.
Cool Kitty, I'm a cool, cool cat.
Cool Kitty, I'm a cool, cool cat.

Meet me at the corner of cool and hot.

Where all the girls hang, and you know the spot.
Because we're fast, and the motors are loud.
If I were you, I would be in the crowd.

Chorus:

Cool Kitty, I'm a cool, cool cat.
Cool Kitty, I'm a cool, cool cat.
Cool Kitty, I'm a cool, cool cat.
Cool Kitty, I'm a cool, cool cat
