I've waited all my life  
Stop waiting for it until that perfect time  
It's never perfect when everything is right  
Don't ever say the fatal phrase

Stop waiting for it until that perfect time  
It's never perfect when everything is right  
Don't ever say the fatal phrase

Say it again  
I said it once I won't say it again  
Say it again  
I said it once I won't say it again  
Say it again
