

## Classic Case "Into A Nightmare"

Visit "[Into A Nightmare](#)" on [MotoLyrics.com](http://MotoLyrics.com)

I can feel you breathing down my neck  
It's only getting worse  
Every kiss I hide  
Turns into a curse

I don't wanna feel this way anymore  
I can't remember how I felt before

You came out of nowhere  
Into a nightmare  
(Right through me)  
You came out of nowhere  
Suddenly  
I'm breaking down

I can feel you beating in my heart  
It's only getting worse  
My reflection hides  
Everyone I've hurt

I don't wanna be this way anymore  
I can't remember who I was before

You came out of nowhere  
Into a nightmare  
(Right through me)  
You came out of nowhere  
Suddenly  
I'm breaking down

Breathing down my neck  
Suffocating me  
Beating in my heart  
You'll be the death of me

You came out of nowhere  
Into a nightmare  
(Right through me)  
You came out of nowhere  
Suddenly  
I'm breaking down

You came out of nowhere  
Into a nightmare  
(Right through me)  
You came out of nowhere  
Suddenly  
I'm breaking down
