

## Classic Case "Scott Free"

Visit "[Scott Free](#)" on MotoLyrics.com

Distract everyone and they won't get to the bottom of  
this oh yeah

Distract everyone and they won't get to the bottom of  
this oh yeah

The'll never know what we've done as long as we keep  
them dumb and useless oh yeah

Distract everyone and they won't get to the bottom of  
this

Yeah

They got away scott free again

It's plain to see

Oh yeah

They'll take their secret to the grave

When will we question them

Distract everyone and they won't get to the bottom of  
this oh yeah

Distract everyone and they won't get to the bottom of  
this oh yeah

The'll never know what we've done as long as we keep  
them dumb and useless oh yeah

Distract everyone and they won't get to the bottom of  
this

Yeah

They got away scott free again

It's plain to see

Oh yeah

They'll take their secret to the grave

When will we question them

I can't bare to watch now can't bare to watch now

Wish I had more time to kill

I can't bare to watch now can't bare to watch now

Wish I had more time to kill

Fear of violence changes the way we think of defiance

Fear of violence changes the way we think of defiance

Yeah

They got away scott free again

It's plain to see  
Oh yeah  
They'll take their secret to the grave  
When will we question them

I can't bare to watch now can't bare to watch now  
Wish I had more time to kill  
I can't bare to watch now I can't bare to watch now  
Wish I had more time to kill  
I can't bare to watch now can't bare to watch now  
Wish I had more time to kill
