You can move a mountain,  
An' never raise your han'.  
Miracles can happen,  
If you bee-lieve that they can.

It's in your mind.  
It's all in your mind.  
What your lookin' for,  
Is what you'll find.  
An' it's ah-wo-oh-wo-oh-ooo-ohhl,  
In your mind.

If they lock you in a prison,  
An' throw away the key.  
There's a mighty, mighty power,  
To come an' set you free.

It's in your mind.  
Lord, you know, it's all in your mind.  
Have a little faith  
An' you will find,  
That it's ah-wo-oh-wo-oh-ooo-ohhl,  
In your mind.

There's a road you've never traveled,  
To a place where you have never been.  
There's a better way of livin',  
An' the answer lies within.

It's in your mind.  
Lord, you know, it's all in your mind.  
Have a little faith  
An' you will find,  
It's ah-wo-oh-wo-oh-ooo-ohhl,  
In your mind.

Just have a little faith,  
An' you will find,  
It's all in your miiind.
