Desperately she needed me,  
But I was not around.  
Faithfully she trusted me,  
But I just let her down.  
Yes, it's true, I broke her heart,  
And made her castles fall.

But I loved her.  
God knows I loved her.

The saddest tears I've ever seen,  
Were tears I made her cry.  
The saddest words I've ever heard,  
Were when she said goodbye.  
But much too late I realized,  
The saddest part of all...

I loved her.  
I really loved her.  
I loved her.  
God knows I loved her.

Ah, but ((she never knew it, ))  
'Cause I ((never let it show.))  
Ask me ((why did I do it.))  
I don't know. ((I don't know.))

God knows I'd be a different me,  
If I had the chance again.  
I'd love her.  
God knows I'd love her.

God know I'd love her.
