Here I am, pen in hand,
Writin' letters to you again.
Hello, darlin', how you been?
We miss you.

Yesterday, a week ago,
Some friends dropped by to say hello.
They wanted me to let you know,
We miss you.

How I wish that you could see,
These empty rooms and empty chairs.
It sounds strange but, girl, I swear,
They're lonely too, they're missin' you.

Ever since you've been gone,
This lonely place is not a home.
So c'mon back where you belong,
We miss you.

I'm sending you a new address,
Seventeen North Loneliness.
That's all for now but don't forget,
We miss you.
