### "House Of The Rising Sun"

There is a house in New Orleans they call the Rising Sun  
And it's been the ruin of many poor boys and Lord I know I'm one

My mother she was a taylor she sowed my new blue jeans  
My father he was a gambler way down in New Orleans  
The only thing a gambler needs is a suitcase and a trunk  
And the only time he'll be satisfied is when he's all a drunk

There is a house in New Orleans...

[ dobro ]

Poor mother go tell all your children not to do what I have done

Spend your life in sin and misery in a house of the Rising Sun

Well I got one foot on the black farm the other foot on a train

I'm goin' back to New Orleans wear that ball and chain

There is a house in New Orleans...

Yes Lord I know I'm one
