If love was enough
Then why do I cry
Why do I hear myself
Saying goodbye

Along for the ride
When I was naive
When you'd say those 3 words
And I would believe

I wish that I could
Forgive and forget
But you've told so many lies
I've got nothing left

A dog is a dog
Can't teach him the tricks
You are who you are
And that's all that there is

I wanna believe you can change like you promise me
But I got keep on holding my breath
Coz I'm watching you break my heart, and it's killing
me
So I refuse to stay and love you to death
I wont, love you to death
(I wont), love you to death
(I wont), no baby I can't
(I wont), love you to death
No matter how much you pay
(I wont), this is the end
(I wont), coz baby I can't
(I wont), love you to death

If all that there was
Was you working late
I'd understand
And baby I'd be okay

But I met the girl
And I know her name

Too late for apologies
You should be ashamed

I wish that I could
Forgive and forget
But you've told so many lies
I've got nothing left

A dog is a dog
Can't teach him the tricks
You are who you are
And that's all that there is

I wanna believe you can change like you promise me
But I got keep on holding my breath
Coz I'm watching you break my heart, and it's killing
me
So I refuse to stay and love you to death
I wont, love you to death
(I wont), love you to death
(I wont), no baby I can't
(I wont), love you to death
No matter how much you pay
(I wont), this is the end
(I wont), coz baby I can't
(I wont), love you to death

This time now I tried my very best
I gave myself one hundred percent
But I can't take this blatant disrespect
So maybe you love (you love) how much it hurts

I wanna believe you can change like you promise me
But I got keep on holding my breath
Coz I'm watching you break my heart, and it's killing
me
So I refuse to stay and love you to death
I wont, love you to death
(I wont), love you to death
(I wont), no baby I can't
(I wont), love you to death
No matter how much you pay
(I wont), this is the end
(I wont), coz baby I can't
(I wont), love you to death
