Some things happen when  
When you don't expect  
All of a sudden then you're fallin in love  
Baby That's the case, between you and me  
Never thought I'd be sayin this but you're the one  
(Yeah)  
And I trip, I fall  
And I've been through it all  
And most times I really don't deserve it (No)  
You give, never take  
You bend, never break  
I know soon, but I want you to know

If I'm the sun,  
And you're the moon,  
Day day ain't done,  
If I don't see you  
If I'm in need girl  
You're my wings  
You keep me Up  
You are My Everything

Maybe it's too soon (Yeah)  
To be tellin you (Oh oh)  
But I don't care,  
I'll put it all on the line (Yeah)  
Cause I've never felt,  
And I've never seen  
Nobody else that I could get off my mind  
So,

If you trip, or fall  
I'll be there through it all  
At all times 'cause girl you deserve it  
I'll give, never take  
I'll bend, never break  
I'll know it soon but I want you to know

If I'm the sun,  
And you're the moon,  
Day day ain't done,

If I don't see you  
If I'm in need girl  
You're my wings  
You keep me Up  
You are My Everything
