(Oh Canada we stand on guard, for thee)  
I told this guy where I was from  
He said oh, Canada  
Kinda laughs it off, real funny huh?  
Yeah, uh, come on

(Oh Canada)  
1-2, 1-2,  
Mic. check, 1-2, 1-2  
Yeah  
(Oh Canada)

Uh, yea  
From the land of the lost, Trans-Canada crossed  
Patriotic and a honor with a hand on my heart

From the greatest of lakes  
To the greenest of greens  
To the rockiest mountains  
And everything in between

O-o-oh Canada  
Oh you're no fan of us?  
Cause our movie and TV shows are so amateur?  
Yeah, we laugh it off, that don't really bother me  
Look, we ain't serious unless you really gotta be

Humorous attitude like Kidz in The Hall  
Like Jim Carey, Mike Myers, hell we claiming them all

It's the great white north  
Home of the funniest actors  
The butt of the joke  
With an abundance of laughter

The red and white flag  
Keep it high, keep it visual  
People say Canada and get stereotypical  
Think we finish every sentence with "buddy" or "bye"  
And if it ain't that it's either "dude", "eh" or "guy"  
Canadaka eh,  
Yeah we consider it people

And smoking marijuana  
We consider it legal

Still doing rap like the 1990's  
But that's how we like it off timed and grimy

I know where I'm from and I told ya before  
North of America hard to ignore  
Every time I go away I tell them for sure  
I'm from Canada o-o-oh Canada

(Oh Canada)  
Oh Canada o-o-oh Canada  
(Oh canada)  
I'm from Canada  
O-o-oh Canada

When Class makes a sick beat, we call it a classic (x4)

I've been around the globe and  
Heard of confusion  
Honestly a lot of y'all are ignorant and stupid

Yes, we have microwaves, tvs and cell phones  
Unintelligent fuck, we invented the telephone  
We made Yahtzee, the light bulb, hockey  
And bred the greatest players - Gretzky to Crosby  
We all got at least one drinking buddy  
And after one drink, all of us think we're funny

Our national mascot's a damn beaver  
Oh Canada we love our beaver  
Home of Hell's Angels and RCMP  
Home of Gordon Lightfoot and SCTV

No doubt, the underground railroad  
Georges St. Pierre  
Right here is where he call home

Our health care system  
Y'all know it's free  
Keep a girl banging with a full mouth of teeth  
I won't even get into the music industry  
They say hip hop is dead  
Nah it's up north with me  
I could do this all day, it's a part of my routine  
But supper's almost done and tonight - poutine!

I know where I'm from and I told ya before  
North of America hard to ignore  
Every time I go away I tell them for sure

I'm from Canada o-o-oh Canada  
(I'm from the east coast of Canada)  
O-o-oh Canada  
(I'm from the east east east coast)  
Yo yo!  
Yeah, I'm from Canada so sometimes the words come  
out of my mouth like this  
Get used to it!

(Oh Canada, we stand on guard for thee)
