I remember April, when the sun was in the sky
Love was burning in your eyes
Nothing in the world could bother me
Cause I was living in a world of ecstasy
But now you're gone

I'm just a daydreamer, I'm walking in the rain
Chasing after rainbows, I may never find again
Life is much to beautiful, to live it all alone
Oh how much I need someone, to call my very own

Now the summers over, and I found myself alone
With only memories of you
I was so in love, that I couldn't see
Cause I was living in a world, that was make believe
But now your gone

I'm just a daydreamer, I'm walking in the rain
Chasing after rainbows, I may never find again
Life is much to beautiful, to live it all alone
Oh how much I need someone, to call my very own

I'm just a daydreamer, I'm walking in the rain
Chasing after rainbows, I may never find again
Life is much to beautiful, to live it all alone
Oh how much I need someone, to call my very own

I'm just a daydreamer, I'm walking in the rain
Chasing after rainbows, I may never find again
Life is much to beautiful, to live it all alone
Oh how much I need someone, to call my very own

I'm just a daydreamer baby.
