Ooh ooh oohh.
Ooh ooh oohh.

I guess there's no point saying this now.
It's done and you're gone, this doesn't count.
But now that you've gone away, i realise everyday.
I've made a mistake, you're the best thing i ever found.

But now that i want you, you're moving on.
I tried to call you, but nobody's home.
I didn't know this till you went away.
I'm always a day too late.

Ooh ooh ooh oohh.
Ooh ooh oohh always a day too late.

I'm done i know, for waiting this long.
There's no explanation for letting you go.
And you were right all along, i miss you bad when
you're gone.
I finally opened my eyes and now i'm standing alone.

And now that i want you, you're moving on.
I tried to call you, but nobody's home.
I didn't know this till you went away.
I'm always a day to late.
But you were into me, i didn't wanna be bothered.
But now i finally see but you've moved onto another.
Now honestly i get, the reason why you left.
But damn i wish i had you back and...

Now that i want you, you're moving on.
I tried to call you, but nobody's home.
I didn't know this till you went away-y-y.
I'm always a day too late.

And now that i want you, you're moving on.
I tried to call you, but nobody's home.
I didn't know this till you went away.
I'm always a day too late.

Ooh ooh ooh oohh.

Ooh oohh always a day too late.

Ooh ooh ooh oohh.

Ooh oohh always a day too late.
