Woohoo woohoo yeaahaa
Woohoo woohoo yeaahaa

I see you over there and looking kind of lonely
With the tears in your eyes
What's the matter girl, what's your man doing
He ain't treating you right
Say the word and I promise we can go ooh
What we do won't hurt if he don't know ooh

[Chorus]

So listen girl, I won't take no for an answer
Because I'm feeling you so
Girl you drivin' me mad as hell, cause you bad as hell
You strong as hell, what the hell?
Can I touch you right now
While your man ain't around

You make the place feel hot as hell
Cause you fine as hell,
You strong as hell, what the hell?
Can I touch you right now
While your man ain't around

Let me tell you something girl
Where I come from this is how it would be
If a men ever slept on a girl like you
Every night she would creep
I can tell you're a good girl and you don't want a room
I can make you my Juliette, I can be Romeo

[Chorus]

So listen girl, I won't take no for an answer
Because I'm feeling you so
Girl you drivin' me mad as hell, cause you bad as hell
You strong as hell, what the hell?
Can I touch you right now
While your man ain't around

You make the place feel hot as hell
Cause you fine as hell,

You strong as hell, what the hell?
Can I touch you right now
While your man ain't around

Girl you driving me mad as hell, cause you bad as hell
You strong as hell, what the hell?
Can I touch you right know
While your man ain't around
You make the place feel hot as hell
Cause you fine as hell
You strong as hell, what the hell?
Can I touch you right now
While your man ain't around
