She's so independent
She know I got money in the bank but
She ain't tryina spend it, no
She got her own house, cars, mackin the audermars
And she do what she wanna, say what she wanna,
Fuck who she wanna, live how she wanna
And that's why I love her,
I put nobody else above her

[Chorus]

I be tellin her
Uh girl, me love you so
She won't tryina be with me to get my dough
That's why my heart belongs to you
I be tellin her
Uh girl, me love you so
You don't need noth of mine cause you got your own
That's why we make the baddest two
Cause I know that you trust me, the way that I trust you
So you will never be lonely, we are the baddest two, two
Cause I know that you trust me, the way that I trust you
So you will never be lonely, we are the baddest two

She's all about her bizness, she close ... in the
bathroom
And she's all about her fitness, she's got curbes like
Boom ba doom ba doom, boom 22XF4E7YUQUN
And she do what she wanna, say what she wanna,
Fuck who she wanna, live how she wanna
And that's why I love her,
I put nobody else above her

[Chorus]

I be tellin her
Uh girl, me love you so
She won't tryina be with me to get my dough
That's why my heart belongs to you
I be tellin her
Uh girl, me love you so
You don't need noth of mine cause you got your own
That's why we make the baddest two
Cause I know that you trust me, the way that I trust you

So you will never be lonely, we are the baddest two, two
Cause I know that you trust me, the way that I trust you
So you will never be lonely, we are the baddest two
