{Maybe some words are not right speld cos im from the netherlands!}

you  
you may  
we hidden of right the way(?)  
It didn't take long to say  
youre the one were togeter  
here we are the chemistry still the same  
you said that you wouldn't change  
you were right you will never

CORUS

Now its not the way you threat me  
cos you do that perfectly  
you always bin my bestfriend  
and i hope you always be  
now i know i dont deserv you  
and i probably never do  
I promise you forever  
forever is what i ment  
its better

Here you now  
i swear i didn't know  
how far it was gonna go  
one thing let to another(?)  
Its still doesn't change  
I hope that you mean to me  
You all i should ever need  
you been there like no other

CORUS

Now its not the way you threat me  
cos you do that perfectly  
you always bin my bestfriend  
and i hope you always be  
now i know i dont deserv you  
and i probably never do  
I promise you forever  
forever is what i ment

its better

From the first day that he walks by  
i knew it was only a matter of time  
Now i cant help  
He's on my mind(?)  
And hes so much better  
i dont have to think all of the things (?)  
-- (?)  
But i choose him over you tonight

CORUS

Now its not the way you threat me  
cos you do that perfectly  
you always bin my bestfriend  
and i hope you always be  
now i know i dont deserve you  
and i probably never do  
I promise you forever  
forever is what i ment  
its better
