cold as ice
and more bitter than a december
winter night
thats how i treated you
and i know that i,
i sometimes tend to loose my temper
and i cross the line
yeah thats the truth

i know it gets hard sometimes
but i could never
leave your side
no matter what i say
coz if i wanted to go
i woulda gone by now but
i really need you near me
to keep my mind off the edge
if i wanted to leave
i woulda left by now
but youre the only one that knows me
better than i know my self.

all along
i tried to pretend it didnt matter
if i was alone
deep down i know
if you were gone
for even a day i wouldnt know which way to turn
coz im lost without you.

i know it gets hard sometimes
but i could never
leave your side
no matter what i say
coz if i wanted to go
i woulda gone by now but
i really need you near me
to keep my mind off the edge
if i wanted to leave
i woulda left by now
but youre the only one that knows me
better than i know my self.

coz if i wanted to go
i woulda gone by now but
i really need you near me
to keep my mind off the edge
if i wanted to leave
i woulda left by now
but youre the only one that knows me
better than i know my self.
coz if i wanted to go
i woulda gone by now but
i really need you near me
to keep my mind off the edge
if i wanted to leave
i woulda left by now
but youre the only one that knows me
better than i know my self.
