Oooooooooooooo...  
Oooooooooooooo...

No other lips  
But yours will ever come this close to mine  
Cause now I know for sure  
That if it's love when I look in your eyes  
Oohhh, I could drive for a million miles  
But I'd never find what I'm looking for  
And I can lie to myself saying I'll find someone better  
But better's come and gone

If I could learn to live once again  
Maybe the tears will stop from falling  
Long enough to tell you how much that I really miss  
It's so bad that I just can't decide if I'm dead or alive  
Dead or alive [x7]

No other hands  
But yours will never touch me quite the same  
I'm totally off course  
And in the middle of the night I caught your name

Ohh yes, I tried other women  
Love never fit in  
Cause you're all I want and more  
I even lied to myself saying I'll find someone better  
But better's come and gone

If I could learn to live once again  
Maybe the tears will stop from falling  
Long enough to tell you how much that I really miss  
It's so bad that I just can't decide if I'm dead or alive  
Dead or alive [x7]  
And mmyyyyy, no

When my confusion running through my head  
All the things I wished that I had done and said  
I'm lost in the middle  
What's wrong?  
What's right?

Without you, I'm not sure if I'm dead or alive

If I could learn to live once again  
Maybe the tears will stop from falling  
Long enough to tell you how much that I really miss  
It's so bad that I just can't decide if I'm dead or alive  
Dead or alive [x7]

Oooooooooooooo...  
Oooooooooooooo...  
Dead or alive...  
Yeahh  
Dead of alive...  
Am I dead or alive?  
Ohh  
Ohhhh...
