There's a first time for everything  
It's definitely one of them nights  
I knew when I looked in his eyes  
That he was gonna be trouble for me  
I never wanted to lie, I knew that my baby would cry  
If he knew what we were doing  
But if his love don't pass the test  
I gotta get it from somewhere else  
But I'm gone an I need my man  
Hope he understands forgive me baby

[Chorus]

I've gotta take a chance tonight  
So I'm doing me, myself an  
I can't wait no more  
Sitting all alone  
Man I really hope  
Hope you'll forgive me (oh oh)  
Hope you'll forgive me (oh oh)  
Hope you'll forgive me (oh oh)  
I can't wait no more  
Man I really hope  
Hope you'll forgive me

Bin along time since I

Did something good for myself  
But why should I be put through hell  
Well his doing what he wanna do  
I've finally found somebody else  
Who with me makes me wanna feel  
Things that I've been missing so long  
And his love always passed the test  
But it's a shame I had to look somewhere else  
Well I'm gone and I need a man  
Forgive me baby

[Chorus]

Forgive me but I need to be loved to  
Forgive me but I can't wait around for you  
Forgive me if I found a man who understands

Just what I need  
Forgive me but I need to be loved to  
Forgive me but I can't wait around for you  
Forgive me if I found a man who understands  
Forgive me baby
