[VERSE 1]

Said goodbye to him
No regrets no second thoughts
Just kept my heart moving
Tears fell from his eyes
I didn't care I pushed through and
He ain't the one
I thought I might as well keep on looking
So I turn my back, no strings attached

[HOOK]

Now I'm sitting at my place with my face buried in my
hands
Yeah Yeah
Everything that I touch moves away like a grain of sand
Yeah Yeah
No love that I try to keep ever seems to last
This really hurts
Leaving you was a curse

[CHORUS]

If I did you wrong (x3)
I'm sorry
I was coming on (x2)
I'm coming on
It haunts me
If I did you wrong (x3)
I'm sorry
I was coming on(x2)
I'm coming on
It haunts me like a ghost
Everywhere I go I see your ghost
When I go to sleep I see your ghost
And it haunts me like a ghost
Like a ghost
Like a ghost

[VERSE 2]

1, 2, 3, 4
Moved on to another
Talk, dark, sexy and confident kind of brother

Kept my body hot all day and night like it was summer
That's why I shouldn't be reminiscing
My man I love ya
Cause I turned my back
No strings attached

[HOOK]

Now I'm sitting at my place with my face buried in my
hands
Yeah Yeah
Everything that I touch moves away like a grain of sand
Yeah Yeah
No love that I try to keep ever seems to last
This really hurts
Leaving you was a curse

[CHORUS]

If I did you wrong (x3)
I'm sorry
I was coming on (x2)
I'm coming on
It haunts me
If I did you wrong (x3)
I'm sorry
I was coming on (x2)
I'm coming on
It haunts me like a ghost
Everywhere I go I see your ghost
When I go to sleep I see your ghost
And it haunts me like a ghost
Like a ghost
Like a ghost
4, 3, 2, 1

[BRIDGE X4]

Ohhhhhhhhhhhhhhhhhhhhhhh oh ohhhh
Ohhhh ohhhhhhhhhhhhh
Like a ghost
Ghost ohh

[CHORUS]

If I did you wrong (x3)
I'm sorry
I'm coming on
I was coming on (x2)
It haunts me
If I did you wrong (x3)
I'm sorry
I was coming on (x2)
I'm coming on
It haunts me like a ghost

Everywhere I go I see your ghost
When I go to sleep I see your ghost
And it haunts me like a ghost
Like a ghost
Like a ghost
