I've been saving this dress for a special night
When I found it
See it's a celebration
And you know this
I feel so alive
And now can't nobody bring me down
If all we do when working
You know you deserve it
Dance like it's your birthday
Yeahhh
Ain't no place in here for drama
Deal with that tomorrow
There's got to be someone that feels like I do

So throw your hands up
And party all your problems away
Throw your hands up
Cos you made it through one other day
If you know love got you through it
Let me hear you say
Ohh ohh ohh ohh

I'm saving these shoes for a holiday
But you know baby tomorrow we promised

So i'm gon' just ooh like it's my last day on earth
So i'm putting me first
All we do when working
You know you deserve it
Dance like it's your birthday
Yeahhh
Ain't no place in here for drama
Deal with that tomorrow
There's got to be someone that feels like I do

Now ladies grab your man and show him that you love
him
And fellas grab your woman and put your arms around
her yeah
If you came by yourself well that ain't no problem baby
noo
Cos you got my love

If you know love got you through it
Let me hear you say
Ohh ohh ohh ohh
If you know love got you through it
Let me hear you say
Ohh ohh ohh ohh
