Oohhhoo
Ohhhwhoaa
Yeahh..
Ohhhâ€!

Just give me a little more time
A little time to work out these words in my mind
Oohhâ€!
I wish that you can look in my eyes
And see I'm really hurting so deeply inside

'Cause all the things that I said
I know I wasn't wrong (I know I wasn't wrong)
When I told you pack your things
I took it too far (Too far)
These last two days without you been breaking my
heart (Been breaking my heart)
Don't understand why you're saying sorry

It's one word, that's all
Why is it so hard to say
Hard to say I'm sorry
It's one word
No more to get you home today
But it's hard to say I'm sorry

I can be a little stubborn, it's true
And I know sometime that I take my pain out on you
Whoaaâ€!
But you know me best
You know what I've been through
And you should know by now that overall I really love
you

'Cause all the things that I said
I know I wasn't wrong (I know I wasn't wrong)
When I told you pack your things
I took it too far (Too far)
These last two nights without you have been breaking
my heart (Been breaking my heart)
Don't understand why you're saying sorry

It's one word, that's all
Why is it so hard to say
Hard to say I'm sorry
It's one word
No more to get you home today
But it's hard to say I'm sorry

Baby I know
So tired of giving me the tempt to fall
The many times I pushed you away
And the silly little things I slip and say
You ready to move on
Leave me here and walk away
It will only take one word to make you stay
And that's sorry

It's one word, that's all
Why is it so hard to say
Hard to say I'm sorry
It's one word
No more to get you home today
But it's hard to say I'm sorry

It's one word, that's all
Why is it so hard to say
Hard to say I'm sorry
It's one word
No more to get you home today
But it's hard to say I'm sorry

Ohh
Ohhh..
Said it's hard to say
It's hard to say I'm sorry
Ohh whoaa
Oohh
Yeahh I'm sorry
