Heart beat
Heart beat
Heart beat
Heart beat
See you're looking left tonight
No one else here is your type
I'm the one you're missing yeah
Show me someone in this room
Who can love you like I do
Ain't no competition yeah

You already know
What I'm talking about
You just don't want to admit it
But baby when you're home
And I wonder around
I still get the feeling
Like oh oh oh
You know that I'm the one for you oh oh
No matter what you do or say
You know our love can't fail
It keeps on going like a heartbeat, heart beat
... , you need me like a heartbeat, heart beat
It keeps on going like a heartbeat, heart beat
If you know you need me like your heart beat
Got your love still alive

Yes I know we had a few
Disappointments, yeah that's true
We can work it out like yeah
Seeming now we got a thing
No one else can come between
You belong with me like yeah

You already know
What I'm talking about
You just don't want to admit it
But baby when you're home
And I wonder around
I still get the feeling
Like oh oh oh

You know that I'm the one for you oh oh
No matter what you do
Or Say, you know our love can't fail
You keep on loving like a heartbeat, heart beat
... , you need me like a heartbeat, heart beat
It keeps on going like a heartbeat, heart beat
If you know you need me like your heart beat
Got your love still alive

Check the vital signs
You know our love's still alive
Can you feel the pulse?
You know it still ain't over for us
Check the bottle signs
You know our love's still alive
Feel for the pulse
You know it still ain't over for us
Like oh oh oh
You know that I'm the one for you oh oh
No matter what you do or say
You know our love can't fail
It keeps on going like a heartbeat, heart beat
... , you need me like a heartbeat, heart beat
It keeps on going like a heartbeat, heart beat
If you know you need me like your heart beat
Got your love still alive
Still alive
You know it's still alive.
