If you're not in love tell me why  
I keep catchin you starin at me  
Out the corner of my eye  
I thought you said you ain't wanna be  
Tied down  
Held down  
To anyone  
Don't tell me that was a lie  
Cuz here you come back again  
Pushin love before you even try

I dont wanna play this game no more  
Ain't no comin back baby when you leave  
So don't you get to thinkin' that you get another chance  
here with me baby  
This heart of mine ain't no real, far been gone  
Ain't no comin back babe when you please  
Cuz fallin in and out of love with you  
That's just another game  
That I don't wanna play

You say you ain't sprung  
Tell me why  
You keep showin' up at my house  
Unannounced every night and day  
And it was you that needed more space  
You said I was too much for you  
Don't tell me that was a lie

But here you come back again  
Pushin' love before you even try

I dont wanna play this game no more aint no comin'  
back baby when you leave  
So don't you get to thinkin' that you get another chance  
here with me baby  
This heart of mine aint no real, far been gone  
Ain't no comin back for it when you please  
Cuz fallin' in and out of love with you  
That's just another game  
That I don't wanna play

I ain't never been that one  
The type of chick that sit and cry about a man that's  
gone  
Best believe I'm gonna move on  
Even before you walk out that door  
So even though it's flatterin' that you  
Want me back, it's cool  
You're part of the past  
And that's something I can't go back to  
Won't play it twice, no I won't be a fool

I don't wanna play this game no more  
Ain't no comin' back baby when you leave  
So don't you get to thinkin' that you get another chance  
here with me baby  
This heart of mine ain't no real, far been gone  
Ain't no comin back for it when you please  
Cuz fallin in and out of love with you  
That's just another game  
That I dont wanna  
I don't wanna play

Play this game no more  
Ain't no comin back baby when you leave  
So don't you get to thinkin' that you get another chance  
here with me baby  
This heart of mine ain't no real, far been gone  
Ain't no comin back for it when you please  
Cuz fallin in and out of love with you  
That's just another game  
That I don't wanna  
I don't wanna play

I don't wanna play this game to no more  
See I was cool when you walked out of that door
