haven't we been here before
with your arms around me telling me you're sorry
call me crazy but i recall
you promising you'll never do this again (oh oh oh
yeah)
now all i can do is laugh
cos you think that you're coming back
baby please, that's comedy
see my heart ain't no cheap hotel
to check in and out when you feel
this is it, i'm breaking free

i'm all out of sorrys
i'm all out of love
i'm all out of trying
(?) the one
don't say that you love me
you don't know what that means
i'm all out of sorrys
baby you gotta leave

tell me was she worth it all (yeah)
did you get enough, did she fulfill your dreams (baby)
maybe you should just call her up
ask her if she'll take you in
cos you can't stay here with me (oh no)
this must be some kind of joke
you think that i'm forgiving ya
baby please, that's comedy
see my heart ain't no cheap hotel
to check in and out when you feel
this is it, i'm breaking free

cos i'm all out of sorrys
i'm all out of love
i'm all out of trying
(?) the one
don't say that you love me
you don't know what that means
i'm all out of sorrys
baby you gotta leave

what kind of fool do you take me for
i'd rather be alone then let you back in the door (oh oh
oh)
there's no way i can live with myself
if i take you back again

i'm all out of sorrays
i'm all out of love
i'm all out of trying
(?) the one
don't say that you love me
you don't know what that means
i'm all out of sorrays
baby you gotta leave
