When we are young
We hear these stupid fairytales about love
We grow up thinkin that we'll find that perfect one
It only takes one heartbreak to wake you up yeeah
Like every other little girl i waited for
The man I thought i wanted to walk through the door
But u dont always get what u dream
Far from perfect but ur just for me

Cuz I feel immortal in ur arms tonight
I feel immortal lookin in your eyes
my happily ever afters comin true
I feel immortal, immortal when im with u

You got me prayin that this moment never ends
Cuz honestly this is the first time that I felt
That love is open for me and no one else yeeah
Cuz I know u don't always get what u dream
So far from perfect but you're just 4 me

Cuz I feel immortal in your arms tonight
I feel immortal lookin in your eyes
my happily afters comin true
I feel immortal, immortal when im wit u

Now I see that you're all I need
With u ma fairytales complete yeeah
Cuz I feel immortal in your arms tonight
I feel immortal lookin in your eyes
my happily afterss comin true
I feel immortal, immortal when im wit u
