You're way more beautiful than you even know,  
And it ain't about your style or your designer clothes.  
It's because you make me feel so comfortable,  
When I'm around you oohhh  
You're far more sexy than you even think,  
And it ain't about your body even though that's a 10.  
You're that real woman that every man,  
Wish he could find and that's because

Inside, there's no body like you  
Inside, have the heart of an angel  
That's why, I'm gona love you  
Every single day of my life  
If you let me inside  
Just let me in  
Just let me inside  
I wanna know you  
Just let me inside  
I'm a part of you  
Just let me inside  
Let me inside  
Let me in

So I wanna give you love every chance that I get  
I wanna touch your body so you never forget  
I wanna make the dreams you have soaking wet,  
When you think about me  
Ohwoahh  
Cause this is the first time I ever felt  
Love so strong for someone other than myself  
Baby girl I need your help oh  
You gotta let me inside

Inside, there's no body like you  
Inside, have the heart of an angel  
That's why, I'm gona love you  
Every single day of my life  
Let me inside  
There's no body like you  
Inside, have the heart of an angel  
That's why, I'm gona love you

Every single day of my life  
If you let me inside  
Just let me inside  
Just let me inside  
Just let me inside  
Let me in
