4 Long Days And Long Nights I Haven't Talked To You  
At All  
Could've Called About 3 Days Ago But I'm Not Quite  
Sure Bout  
The Protocol

Someone Tell Me How Long After The First Date  
Is It Ok To Call Up A Friend And Say I Just Want To See  
You Again  
Cuz I Really Want To Be More Than Friends Everyone  
Has There  
Opinion All Them Different Should I Even Listen All I  
Know Is Your  
On My Mind 24/7 All Of The Time

Girl You Might Be The One For Me But How Will I Know If  
I Don't Pick  
Up The Phone To See (See) If You Loven Me Back (Back  
Back)  
Tell Me So Baby Girl If It's A Wrap (Wrap Wrap)  
Girl You Might Be The One I Need But How Will I Know If  
I Don't  
Built Up The Courage To Speak Are You Loven Me Back  
(Back, Back)  
Tell Me So Baby Girl If It's A Wrap (Wrap Wrap) Is It A  
Wrap

I Still Play Back Like A Vintage Record All The Things  
You Said  
You Said You Haven't Had A Good Time Like This In A  
Long Time  
Hope That We Can Do This Again

Someone Tell Me How Long After The First Date  
Is It Ok To Call Up A Friend And Say I Just Want To See  
You Again  
Cuz I Really Want To Be More Than Friends Everyone  
Has There  
Opinion All Them Different Should I Even Listen All I  
Know Is Your  
On My Mind 24/7 All Of The Time

Girl You Might Be The One For Me But How Will I Know If  
I Don't Pick  
Up The Phone To See (See) If You Loven Me Back (Back  
Back)  
Tell Me So Baby Girl If It's A Wrap (Wrap Wrap)  
Girl You Might Be The One I Need But How Will I Know If  
I Don't  
Built Up The Courage To Speak Are You Loven Me Back  
(Back, Back)  
Tell Me So Baby Girl If It's A Wrap (Wrap Wrap) Is It A  
Wrap

Don't Know How Much Longer I Can Wait I Got To Know  
Right Now  
Baby If I'm The One You Want Make ( A Relationship  
With Please Don't Call It Quits)  
I Hope That You And Me Are On The Same Page Cause  
If We Ain't  
I Don't Know I'd Explain These Felling I Got (Got) I'm  
Wanting It Bad (Bad,Bad)  
Don't Say It's A Wrap...

Girl You Might Be The One (YOU MIGHT BE THE ONE)  
For Me But How Will I Know  
If I Don't Pick (IF I DON'T PICK UP THE PHONE)  
Up The Phone To See (See) If You Loven Me Back (Back  
Back)  
Tell Me So Baby Girl If It's A Wrap (Wrap Wrap) (DON'T  
SAY IT'S A WRAP GIRL)  
Girl You Might Be The One I Need But How Will I Know If  
I Don't  
Built Up The Courage To Speak Are You Loven Me Back  
(Back, Back)  
Tell Me So Baby Girl If It's A Wrap (Wrap Wrap) Is It A  
Wrap
