Everybody knows you can't turn back time
But if I could I promise that I
Would take back all the things that I said
They said you don't know
I had some time to think
I must have been out of my head

I've changed,
I've spent too many dranks in the club
I've changed,
I know I didn't show you the love
I've changed
I realized I told you
So now I owe you to tell you the truth.
I'm looking back and I'm seeing a big picture.
Need you in my life cuz I am ready to
Give you all my time to decide
I've made up my mind.
Wanna sweep you off your feet, girl.
Nothing but the best for you
Cuz you mean the world to me
I really gotta have you in my life
I made up my mind
I feeling kinda lost
Without shorty around
I miss the way you touch me
When the lights go down
I hate that I'm alone again
I wish I could hold you in my arms once more
Never had a reason to walk out that door
I do it right
I'll hold you tight
I swear I will never leave your side

I've changed
I remember when I left you home for the club
I've changed
I know I never I showed you no love
I've realized I told you
So now I owe you to tell you the truth.

I'm looking back

And I'm seeing a big picture.
Need you in my life cuz now I am ready to
Give you give you all my time to decide
I've made up my mind.
Wanna sweep you off your feet, girl.
Nothing but the best for you
Cuz you mean the world to me
I really gotta have you in my life
I made up my mind

See I don't know what it was
That held me back
But all I know that
Cuz I love you
I'm not afraid to say that I love you
See I'm ready to commit to you
Maybe cuz I never seen nyone
Who you I like that would
Ion gonna do that no more

I'm looking at our relationship picture
Now I'm looking back
And I'm seeing a big picture.
Need you in my life cuz now I am ready to
Give you give you all my time to decide
I've made up my mind.
Wanna sweep you off your feet, girl.
Nothing but the best for you
Cuz you mean the world to me
I really gotta have you in my life
I made up my mind

I've changed,
I've spent too many dranks in the club
I've changed,
I know I didn't show you the love
I've changed
I've realized I told you
So now I owe you to tell you the truth
