Claude Kelly
"More To You"

i need i want you
ain't easy to hold back these feelings
and i just don't understand why you don't understand
break it down
sometimes i close my eyes
pretending that you are the one
but then i freak your life
there is somebody else in your heart
is getting kind of hard
cause every time i am getting of myself
i am getting exciting

[chorus:]
i wanna be more than a lie
i wnana be your friend
i wanna be the one you can't live without it
i don't wanna be some girl
i wanna be the one you think about
i wanna be someone special
that's a fact
[?] i wanna be much more to you
i wanna [?] away but my feet won't move
i am standing in the place
all these butterflies i could kill in my stomach
what you say so say it again
i really don't know which way to go
cause i don't want to lose
i really can't say what i wanna say
cause i don't wanna be a fool

[chorus:]
i wanna be more than a lie

i wanna be your friend
i wanna be the one you can't live without it
i don't wanna be some girl
i wanna be the one you think about
i wanna be someone special
that's a fact
[?] i wanna be much more to you

i said

i feel
i want
it ain't easy to hold back these feelings
and i just don't understand why you don't understand
break it down
i have many friends i rather be your lover
sometimes i wanna say it but i don't wanna blow the
cover
i wanna be more this life it feels so right
i wanna be more than a lie
i wanna be your friend
i wanna be the one you can't live without it
i don't wanna be some girl
i wanna be the one you think about
i wanna be someone special
that's a fact
[?] i wanna be much more to you

yes i want you
i wanna be your friend
gotta need you
i wanna be your friend
gotta have you
i am tired of being your friend
i want so much more for you
