Some things happen when
When you don't expect
All of a sudden then you're fallin in love
Baby That's the case, between you and me
Never thought I'd be sayin this but you're the one
(Yeah)
And I trip, I fall
And I've been through it all
And most times I really don't deserve it (No)
You give, never take
You bend, never break
I know soon, but I want you to know

If I'm the sun,
And you're the moon,
Day and Night,
It Belongs to you
If I were me girl
And you're my wings
You keep me Up
You are My Everything

Maybe it's too soon (Yeah)
To be tellin you (Oh oh)
But I don't care,
I'll put it all on the line (Yeah)
Cause I've never felt,
And I've never seen
Nobody else that I could get off my mind
So,

If you trip, or fall
I'll be there through it all
At all times 'cause girl you deserve it
I'll give, never take
I'll bend, never break
I'll know it soon but I want you to know

If I'm the sun,
And you're the moon,
Day and night,
It belongs to you

If I were me girl
And you're my wings
You keep me up
You are my everything
