Try your best to resist  
Run away, Don't give in  
Cause it ain't worth  
Getting burnt  
Love hurts too much  
When it ends (oh)

But that was my theory  
Before you met me  
Cause you know there's no turning back  
You leave me no choice  
No turning back  
No choice  
No turning back  
Not to love you  
So I'm gonna love you

So here I am once again  
Putting my fate in your hands  
I'm kinda scared cause at last  
A girl shattered my heart like glass (oh)  
But that was my theory  
Before you met me  
Cause you know there's no turning back  
You leave me no choice  
No turning back  
No choice  
No turning back

Not to love you  
So I'm gonna love you

I didn't want to give in to you  
But you're so beautiful  
And I can't say no  
I wish I could've died  
And I know I tried  
But you're so beautiful  
And I can't say no, no  
Can't say no, no

You leave me no choice

No turning back  
No choice  
No turning back  
Not to love you  
So I'm gonna love you

You leave me no choice  
No turning back  
No choice  
No turning back  
Not to love you  
So I'm gonna love you

Tried my best to resist  
Ran away but I gave in
