Life can be a bitch
And things don't always work out
The way we want them to
And I know that is the truth
On that day you left
You said that you'd be willing to bet
That I could'nt carry on
But now I'm here right belong
So..

I can close my eyes [eyes]
And go the step in my[life]
I got nothing to loose [loose]
Because the one thing I've done right was loving you
I got no regrets
And I found my happiness
Til I found it witchu [you]
But the one thing I've done right was loving you

Now I used to blame myself
And don't leave myself
But you're no better then me
And you're no longer what I need
Because I found my happiness
And I'm a man that does his best
To ___ me
??So thank god you has leave??
So..

I can close my eyes [eyes]
And _____
I got nothing to loose [loose]
Because the one thing I've done right was loving you
I got no regrets
And I found my happiness
Til I found it witchu [you]
Because the one thing I've done right was loving you

I ain't perfect
But I'm worth it
You didn't notice this

Now I can close my eyes [eyes]
And _____
To say I got nothing to loose [loose]
Because the one thing I've done right was leaving you
I got no regrets
And I found my happiness
Til I found it witchu [you]
You see the one thing I've done right was leaving you

I was in love for to long..
But the one thing I've done right..
Leaving youuu..
