(Verse 1)

When I look in your eyes  
It almost feels like we're on the beach  
Sipping margaritas while the waves crash down at our  
feet  
When i'm touching your thighs  
call me crazy but I swear the sheets, are taking us away  
like a blue wave on the sea

(Hook)

I know we're in a bedroom  
but it feels like I can't go home tonight  
Cause you're hot like mexico  
so i'm never gonna let you go, no

(Chorus)

Cause you're my paradise, girl  
You're loving feels like palm trees and cool breezes, i'll  
never leave ya  
Cause you're my paradise, girl  
You're loving feels tropical baby even though we're still  
at home you're my paradise girl

(Verse 2)

And when I kiss on your neck,  
yeah, it almost feels like we on the yard siting on deck  
while I cruise through you're favourite spot  
And when you call out my name girl, I swear my  
heartbeat almost stop, like we watching the sunset  
alone on the mountain top

(Hook)

I know we're in a bedroom  
but it feels like I can't go home tonight  
Cause you're hot like mexico  
so i'm never gonna let you go, no

(Chorus)

Cause you're my paradise, girl  
You're loving feels like palm trees and cool breezes, i'll  
never leave ya

Cause you're my paradise, girl  
You're loving feels tropical baby even though we're still  
at home you're my paradise girl
