I ain't that stereo typical woman  
Singing that a man has gone & crying while I look out  
the window  
& sees it to move on; I don't care if he never comes  
home  
At least that's what I tell myself to make it through  
The days & nights are long here when I'm missing you  
I'm trying not to trip but I don't feel comfortable  
Cause everytime I blow that turn on the radio

They're playing our song  
Everytime that I hear it  
My heart wants to jump down on my chest & I'm

---

They're playing our song  
& my whole body feels it  
It's crying oh baby, baby, baby, baby, baby  
They're playing our song, oh, oh, oh, oh, oh  
They're playing our song, oh, oh, oh, oh, oh  
They're playing our song

I think that \_\_\_\_\_ girl it's broken hearted  
Waiting for a telephone call & holding so tight to their  
pillow  
See life really started; a minute (/admit it) that you left  
me alone, oh  
At least that's what I tell myself to make it through  
The days & nights are long here when I'm missing you  
I'm trying not to trip but I don't feel comfortable  
Cause everytime I blow that turn on the radio

They're playing our song  
Everytime that I hear it  
My heart wants to jump down on my chest & I'm

---

They're playing our song  
& my whole body feels it  
It's crying oh baby, baby, baby, baby, baby  
They're playing our song, oh, oh, oh, oh, oh  
They're playing our song, oh, oh, oh, oh, oh  
They're playing our

Don't think that I'm wasting my time  
Crying & wishing you could be mine, oh  
Got my feeling under control  
Til I turn on the radio

They're playing our song  
Everytime that I hear it  
My heart wants to jump down on my chest & I'm

---

They're playing our song  
& my whole body feels it  
It's crying oh baby, baby, baby, baby, baby  
They're playing our song, oh, oh, oh, oh, oh  
They're playing our song, oh, oh, oh, oh, oh  
They're playing our song, oh, oh, oh, oh, oh  
They're playing our song
