Ohhh  
Ohhoh  
Ohhh  
Ohhoh  
Yeah  
x2

I don't always say what's on my mind  
But if you look in my eyes, you'll know every time, yeah  
I know I can be, a little out of line  
But it's all cause I love you  
Is that a crime?

See, I get mad when I call and you're not available  
I hate when you tell me I'm too emotional  
Perfect, I'm not but I'm trying to be good to you  
It's gona take some time but I'll get it right

I got a long way to go  
Still got things I'm workin' on  
Now I can't give you all you want  
But I can promise you love  
Promise you love x2  
Promise you  
Promise you love x3

Now, I can be mean, to you some days  
I tend to pull you closer to me, but then I push you away  
I expect you to understand all of my games  
But I, get mad when you do the same I know, I drive  
you insane

Cause I get mad when I call and you ain't available  
I hate when you tell me I'm too emotional  
Perfect, I'm not but I'm tryina to change  
Gona take a little time but I'm on my way yeah

I got a long way to go (I got a long way to go)  
Still got things I'm workin' on (workin' on)  
Now I can't give you all you want  
But I can promise you love  
Promise you love

Promise you  
Promise you love x3  
Oh oh  
I can promise you love  
Ohh Oh  
[you get the drift here lol]

Cause I get mad when I call and you ain't available  
I hate when you tell me I'm too emotional  
Perfect, I'm not but I'm tryin' to change  
Gona take a little time but I'm on my way yeah

I got a long way to go (I got a long way to go)  
Still got things I'm workin' on (workin' on)  
Now I can't give you all you want  
But I can promise you love  
Promise you love x2  
Promise you  
Promise you love x3  
[lol I don't think my calculations are right here]

I got a long way to go (I got a long way to go)  
Still got things I'm workin' on (workin' on)  
Now I can't give you all you want  
But I can promise you love  
Promise you love x4  
Yeah x4  
Promise you love  
Yeah x5  
Promise you love  
Yeah x5
